GIRL ASSERTS INNOCENCE

School Board, After Stormy Hearing, Asks Resignation of Talented High School Principal.

MORRISVILLE, Pa., Aug. 18.-After a stormy public meeting and a hot trial, the school board voted, 4 to 2, to request the resignation of Prof. W. A. Cawley. the brilliant young principal of the high

Prof. Cawley lives here, with his wife and two young children. Witnesses heard testified that he has been secretly paying attention to the prettiest m of the last graduating class, Miss Fran-ces Taylor, a sister of the president of the board of education, C. Fred Taylor. Says it Is All False.

Prof. Cawley declares an awful mistake has been made. He says he never courted the girl, and denounces the tesny given at the meeting as false

Prof. Cawley will go into court to prove his innocence and that of the girl. He feels that the reputation of a girl of unblemished character has been unjustly aspersed. While planning court proceedings, Prof. Cawley maintains that it is not the position he cares for, but that he proposes to uphold the nonor of the girl.

Miss Frances Taylor is not yet out of

her teens. She was graduated when eighteen, last June. She is slender, willowy, but not tall. Her eyes are limpid and open. While her hair is rebellious, it only adds to her beauty. Her features are good and her complexion is excellent. She declares that the tales that have been told to the school board are untrue in authors. are untrue in entirety.

Thought They Were Friends.

"I have always looked upon those who

of the charges. On the other hand, there are the statements made under oath by the witnesses heard by the school board, including the assertions of Miss Edna Scully, daughter of a prominent farmer living just outside the town limits, who a member of the graduating class with Miss Taylor, but was selected from the class below to make the presentations upon the last day of school. The little was written by Prof. Cawley, and she rehearsed several times in his presence. One morning Edna went to the schoolhouse early to go over the "piece" she was to speak. As a witness she said:

Went Early to School.

swered, 'Nobody but Prof. Cawley and Frances.' That made me hesitate about So instead of going in boldly I tiptoed up to the door and looked through the crack. I was dumfounded by what I

The young girl witness flushed deeply. She hesitated but finally said:
"Well, I saw Frances in there with
both her arms around Mr. Cawley's

meck"

"Where were the principal's arms?"
demanded one of the directors.

"One of them was around Frances," replied the witness. "He was holding her very close to him with that arm. I think with his other hand he was petting her forehead. She was crying."

"What was she crying for?" Insisted the director.

"I am sure I don't know," answered the girls into custody and turned them Miss Scully, "She was crying around a good deal at the end of the term."

The girls have been seen about the Sat on Cawley's Lap.

Edna Scully told of another occasion in the preceding February, when she re-VICTIM OF RUNAWAY after the close of the afternoon session. She bought some cakes at the ground ery store at noon. At night she went

away and left the cakes in her desk, forgetting them. She returned to get saw Mr. Cawley," said the witness. "He was sitting on a chair there and Frances was sitting in his lap. When she heard me she jumped up."

and N streets, George Tyler, colored, forty-seven years old, of 439 Riggs street, died yesterday. In the accident

Arms Around Her Neck.

Another witness heard by the board is Miss Ada Osborne, a daughter of Dr. Osborne, who lives in the famous Morris mansion, once Washington's head-

Miss Osborne averred that out of school hours on one winter morning she stepped into the school to see one of her pupils in music, and that she ran plump into the principal of the school, with his pretty pupil, Miss Prances Taylor. Prof. Cawley had his arms

Taylor. Prof. Cawley had his arms around the girl.

Still another witness was the school janitor, James Macahan, a friend of the principal, who on one occasion, when he reached the top of the stairs and passed the open door of the main room, saw the principal, he said, with his arms around the neck of a girl pupil.

his arms around the neck of a girl pupil.

"The girl was Frances Taylor," said the janitor, "and she was looking up into Prof. Cawley's eyes and smilling."

Macahan is more than sixty years old, and a church member. The janitor added that he once saw the principal embrace the girl at his desk after school, and that sometimes it would be a o'clock before the principal and his pupil would vacate the school room so that the sweeping might be done.

During the hearing of this testimony, Prof. Cawley sat unmoved in the presence of the school board. Several times he was seen to bend over to his counsel, moving his lips as if saying: "That's all a lie."

Members of the school board who famed the school for the winciples.

Members of the school board who famed the school boa all a lie."

Members of the school board who favored the retention of the principal were Mr. Taylor, the brother of the girl, and George Wharton.

PULLMAN CAR COMPANY **EXCEEDINGLY PROSPEROUS**

NEW YORK, Aug. 18.-The year ende July 31 last was the most prosperous in the history of the Pullman company. After charging off for depreciation and betterments to a greater degree than ever before, there remained a surplus applicable to dividends of about \$13,000,-000, or equal to about 17½ per cent on the \$74,000,000 capital stock. In 1905 the earnings on the stock were 13.4 per cent; in 1904, 12.9 per cent, and in 1903, 12.7

"I have always looked upon those who have uttered these untruths as my friends," said the young girl yesterday. Tears glistened in her eyes as she spoke. "I cannot believe that they told these terrible falsehoods maliclously. I prefer to think that they were honestly mistaken in what they think they saw. "But the truth is that Prof. Cawley has been my true and good friend, as well as my teacher. He took personal interest in my studies and aided me in every way. He never did a thing that could not have been done in the presence of his wife. This is the truthevery word of it."

While Miss Taylor utters no aspersions, she discusses the possibility of entry and jealousy being at the bottom of the property and of the property and provided these untruths as my tredends."

And I am endeavoring to compile it that is all."

Mr. Oakley thinks there is no dount that a crowing rooster is an unnecessary noises." are being compiled by Mrs. Imogene B. Oakley, a prominent clubwoman of this city, who has already won for here-sit somethings of a reputation as a statistician. She is best known for her agitalion against the smoke auisance.

Mrs. Oakley thinks there is no dount that is all."

Mrie Oakley thinks there is no dount that a crowing rooster is an unnecessary ming on her back or by floating.

Widest Part of River.

The course had been selected at the widest part of the river and at the point of the river and at the point of the current at the deepest part of the river, the rowboar moved up to withing that might get along as well withen the current at the deepest part of the river and at the point of the river and at the delicate, medican, she is strok." Not once did she rest by swimming on her back or by floating.

Widest Part of River.

The course had been selected at the did not of the river and at the point widest part of the river and at the current in midstream runs of all roosterers in that city to have a straight breast strok. So dount an unnecessary noises. A support of the river and at the course had been selecte is the purest and sweetest for toilet and bath as well.
